

St John & St Stephens Fairtrade Cupboard

- The easy way to have a Fairtrade stall!
- Sold £4800 of goods in 2008
- Opens every Sunday & for other meetings in the week
- Runs on a no-profit ethos - so cheaper than the equivalent in the shops
- Orders done on line by a church member approx monthly
- Stocks kept under their bed and brought in as necessary
- Runs itself - a money pot is kept on the top when its open...
- The 'cupboard' was built by a church member who would be happy to give anyone the 'design' (see e-mail below)
- The key is kept in the church office so it can be opened up by anyone.
